Presentation Evaluation Form

**TEAM:** \_\_\_\_\_

WHAT DID YOU LIKE ABOUT THE PRESENTATION?

Color scheme? Diagrams? Graphs? Presentation style? Animations? Story?

WHAT COULD BE IMPROVED?

Wordy slides? Too high level? Too detailed? Can some part be skipped? Should something be better explained?

IS THERE ANOTHER WAY THE TEAM CAN CONSTRUCT THEIR STORY TO BE MORE EFFECTIVE?

Did they follow the common "intro-motivation-methods-results" format? Did they do something else? Would a different approach be better?

HOW WOULD YOU PRESENT THIS IN A POSTER? WHAT INFORMATION SHOULD BE INCLUDED?

Based on the current work presented, how can the team present this work in a poster?
